Interstate 580 Westbound To Eastbound Interstate 80 Lane Closure In Effect Until 2 P.M. Due To Emergency Road Maintenance

OAKLAND – Caltrans is conducting an emergency closure on the number 1 lane from westbound I-580 to eastbound I-80, to remove concrete debris due to a vehicle accident.

No detour route has been scheduled at this time. Motorists should slow down and proceed with extreme caution as maintenance crews will be performing repairs to the pavement at this location over the next several hours.

Maintenance crews are expected to complete the repair by 2 pm.

Please drive cautiously through the construction zone and leave a safe traveling distance between your vehicle and the vehicle ahead of you. Caltrans appreciates your patience as we work to improve the highways. Please remember to “Slow for the Cone Zone.”
